

Why did the chicken cross the road ?

Proposed by Sunder Khemlani JJR 65

SARAH PALIN: The chicken crossed the road because, gosh-darnn it, he's a maverick!

BARACK OBAMA: Let me be perfectly clear, if the chickens like their eggs they can keep their eggs. No chicken will be required to cross the road to surrender her eggs. Period.

JOHN McCAIN: My friends, the chicken crossed the road because he recognized the need to engage in cooperation and dialogue with all the chickens on the other side of the road.

HILLARY CLINTON: What difference at this point does it make why the chicken crossed the road!

GEORGE W. BUSH: We don't really care why the chicken crossed the road. We just want to know if the chicken is on our side of the road or not. The chicken is either with us or against us. There is no middle ground here.

DICK CHENEY: Where's my gun?

COLIN POWELL: Now to the left of the screen, you can clearly see the satellite image of the chicken crossing the road.

BILL CLINTON: I did not cross the road with that chicken, I can swear it.

AL GORE: I invented the chicken.

JOHN KERRY: Although I voted to let the chicken cross the road, I am now against it! It was the wrong road to cross, and I was misled about the chicken's intentions. I am not for it now, and will remain against it.

GENERAL DE GAULLE: the chicken is independant and crossing the road by his own will, and the grandeur of the world implies to recognize this fact.

WILLIAM SHAKESPEARE : To cross or not to cross the road, that's the question

PAT BUCHANAN: To steal the job of a decent, hardworking American.

ERNEST HEMINGWAY: To die in the rain, alone.

JERRY FALWELL: Because the chicken was gay! Can't you people see the plain truth? That's why they call it the 'other side.' Yes, my friends, that chicken was gay. If you eat that chicken, you will become gay too. I say we boycott all chickens until we sort out this abomination that the Liberal media whitewashes with seemingly harmless phrases like 'the other side.' That chicken should not be crossing the road. It's as plain and as simple as that.

GRANDPA: In my days we didn't ask why the chicken crossed the road. Somebody told us the chicken crossed the road, and that was good enough for us.

BARBARA WALTERS: Isn't that interesting? In a few moments, we will be listening to the chicken tell, for the first time, the heart warming story of how it experienced a serious case of molting, and went on to accomplish it's lifelong dream of crossing the road.

ARISTOTLE: It is the nature of chickens to cross the road.

JOHN LENNON: Imagine all the chickens in the world crossing roads together, in peace.

FRANCOIS HOLLANDE : I've got no chicken but a chick, and I'm not going to cross the road for her

BILL GATES: I have just released eChicken2013, which will not only cross roads, but will lay eggs, file your important documents and balance your checkbook. Internet Explorer is an integral part of eChicken2013. This new platform is much more stable and will never reboot.

ALBERT EINSTEIN: Did the chicken really cross the road, or did the road move beneath the chicken?

DO DUC NHUAN JJR 65 : Did I miss one?
