LIBRARY SEATING

A man was looking for a place to sit in a crowded library.
He asked a girl in a university library: "Do you mind if I sit beside you?"

The girl replied in a loud voice: "I DON'T WANT TO SPEND THE NIGHT WITH YOU !" All of the students in the library started staring at the man, who was truly embarrassed and moved to another table.

After a couple of minutes, the girl walked quietly to the man's table and said, with a laugh: "I study psychology, and I know what a man is thinking. I guess you felt embarrassed - right?"

The man then responded in a loud voice: "£500 FOR ONE NIGHT? THAT'S ROBBERY!" All of the people in the library looked, in shock, at the girl.The man then whispered in her ear:
"I study law , and I know how to screw people."
