“The Most Serene Republic of San Marino”

(official name of San Marino)

Expedia Vacation Travel Guide

This is the 3rd smallest independent country in the world (only 24 square miles, in central Italy) right after the Vatican and Monaco. A fantastic place in a mountainous environment, and close to the Adriatic Coast with its kilometers of white sand beaches and famous sea resorts (Rimini, Cattolica, etc) from where you can take a car and spend a full day in this tiny republic.
