## Everyone Was Warned Not To Touch This Cat

The reason I suggested this story is simple : our own cat named Tama, that lots of friends do know, was a lookalike of the cat shown above. Thanks God, our story has been altogether different. Tama had been rejected and beaten by her mother who couldn't give her milk due to a lot of brothers and sisters, and was bound to die at the age of 6 weeks when Natsuki took her home. Tama had scars everywhere, a torn away ear, and various diseases. Exactly like on the photo above.

Tama has been giving the two of us her total love for 11 years now.

The French are right: "c'est idiot d'appeler les animaux des bêtes".
