

MACAU

友誼大馬路 Av. da Amizade  
亞馬喇前地停車場  
Auto-Silo Praça de Ferreira do Amaral

The image shows a vibrant nighttime street scene in Macau. A large, curved building with a complex, illuminated facade dominates the left side. In the center, a prominent sign provides directions in both Chinese and Portuguese. To the right, another building with a crown-like top is visible, along with ornate street lighting and a person walking on the sidewalk. The overall atmosphere is festive and brightly lit.
